

For information on the Leadership Minor contact Dr. Don DiPaolo at dipaoldo@udmercy.edu

1. Several majors in the college have their own specific advising sheets. Follow those where appropriate.
2. If you are going to minor in Leadership, you are encouraged to double minor in the College. This creates an opportunity for some amazing combinations that will enhance your experience and credentials.
3. We always encourage you to take the introductory course as soon as possible and the capstone course your final year.
4. Please work closely with your major advisor. There are so many options and possibilities to get creative. The Degree Evaluation feature in your portal and Dr. Don can also assist you.
